Dear Graduate,

On behalf of the Board of Education of the Prairie Valley School Division, I would like to offer my sincere congratulations to the Graduating Class of 2021-2022.

Our mission and vision is to prepare you for 'Leadership in Learning and Life'. Your journey, particularly in the last two years, has not been without its challenges. However, you have responded with courage, with flexibility and with resilience. Your success today is a testament to that resolve.

Thank your parents or guardians for their constant nurturing. Stop to thank that teacher who inspired or guided you to greater things.

And be mindful of the obligation you now have to help heal a province and help heal a nation emerging from the shadows of a global pandemic. We need your skills and imagination to continue our prosperity.

Hold true to the values we have conveyed to you: honesty, integrity, curiosity and fairness.

Make us proud with the way you use that one wild and precious life for the betterment of those around you.

Best wishes to you all.

 Chairperson, Prairie Valley
